Dear David and Ann:

I hope the rest of your August was enjoyable, and that you got at least some well-deserved time off – although for a change the Washington heat was not too bad!

Kent McGaughy and Antal Desai (from CPMG Investments - whom you were kind to meet with on August 19th) will be back in Washington sometime during the week of September 21st).

During our last meeting you mentioned the possibility of having them do a brief to a larger group of inter-agency folks working on the student loan/Title IV issue. Please let us know if you'd like to have them present their side of things as you pursue your policy meetings.

Best,

Lee

Ann:

We were not able to change the flight time for tomorrow – deep apologies. Might Brian and Tony be available next week Wednesday the 14th in the middle-late afternoon?

Again, thanks for your efforts to arrange this meeting. Let me know if next Wednesday afternoon works?

Thank you! Ann – if you concur, would it be possible to do it at 3:00pm at convenient location (Maryland Avenue, or...?).

Ann:

Very sorry for this late notice, but the Cardinal/CPMG guys won't be able to get here tomorrow, Wednesday, from Dallas. Would it be possible to reschedule the meeting you all kindly put together for next week? Wednesday, October 21, at 3:00pm?

Again, our sincere apologies. I know you all will be busy tomorrow with the House hearing, so I hope this is somewhat good news!
